

## Presidents Report.

August 2017-2018.

Over the past year the club has again been in a period of consolidation. Low participation rates and little to no activity by the club saw a dedicated few fulfil a handful of roles within committee. These roles have been fulfilled as caretaker positions and we are now looking to launch the 2018 Annual General Meeting online.

The online meeting format and online activities being developed are aimed at:

- including all members from across Australia
- Allowing online payment and renewals
- Allowing online advertising
- Running an online point score
- Increasing membership and participation

The new format is new to everybody and we have worked hard to eliminate any potential confusion. As time goes on we are excited to be evolving this area of the club and look forward to your feedback.

Sydney Royal Easter Show is always an exciting time where I personally enjoy sharing our great breed with the public. The Royal and The Club show was held separately but within the scope of the Royal organisation. This format was popular on the day and we have made application to The Sydney Royal organising committee for our inclusion in 2019.

Looking forward to a positive year for all members and enthusiast of the breed.

Jamie Clapham
